

Passaic Valley, NJ Chapter

Passaic Valley UNICO serves the New Jersey towns of
Little Falls, Totowa, and Woodland Park

We meet on the Second Wednesday of the month, September through June, mixing the
dinner meetings between local restaurants and church halls

We donate to the following UNICO National Foundations: Cancer Research,
Cooley's Anemia, Mental Health, Italian Studies, Scholarship
and to the St. Jude's Children Research Center in Tennessee

Locally we have supported with scholarships to our regional high school, grants to
Italian Studies students from Montclair and Seton Hall Universities, as well as helping
with Food Bank drives and donations to the needy during the
Christmas, Easter and Thanksgiving Seasons
